

XX. JUBILEE FARMER-EXPO International Exhibition of Agriculture and Food Industry & VI. HORTICO FRUIT-VEGETABLE HORTICULTURAL EXHIBITION.

From the very first moment, FARMER-EXPO has consciously endeavoured to create opportunities for widening relations, deepening partnerships, stepping forward for the agricultural branch.

The professional programme of the exhibition has been widening year by year. Among the programmes there are professional conferences, forums for agricultural experts to collect new, important knowledges, the latest research results and other practical, useful experiences.

FARMER-EXPO has been acknowledged as one of the most visited exhibitions. In the last 8 years, an average of 40,000 visitors came to see the four day long event. We are very proud of the fact that a considerable amount of visitors (approx. 50%) return to the show every year. The compound of visitors reflect the professional characteristic of the exhibition, since 70% of the visitors have some kind of relation to agriculture.

Due to Debrecen's geographical position, FARMER-EXPO means a great attraction for the experts of the neighbouring countries. Each year several hundred business men come from Czech Republic, Romania, the Ukraine.

VENUE: University of Debrecen, Centre of Agriculture Debrecen, Böszörményi u. 138, Hungary.
